

## FEES AND CHARGES FOR USE OF CANAJOHARIE COMMUNITY RECREATION (CCR)

CCR is privately owned and operated. No part of CCR is supported by public or taxpayer dollars.

We reserve the right to waive or assess fees based circumstances as we see fit.

We want to provide healthy recreation and activities to the community. We have a special interest in volunteer-run and youth-orientated programs.

Activities at CCR must be scheduled with our management. We will do our best to accommodate as many as possible, but we cannot guarantee availability for any program, especially during the winter months when demand is great.
